Applicant is: ☐ **Owner** ☐ **Renter (Proof of residency required with application)**

Property owners who rent out properties in Mound are not eligible for the program, their renters are. Seasonal property owners who only occupy the house certain months, but do not rent the property out, are eligible.

THINGS TO KNOW

Please take note of the particulars of the wait list:

- Your wait list application with payment must be renewed each year in order to keep your position.
- It is estimated to take 8+ years on the wait list before being offered a dock or multiple slip site.
- You do not have to take a dock or slip site offered to you. You can stay on the wait list year to year.
- First-time applicants' position at the end of the wait list is determined by DCC lottery in March 2026.
- The updated wait list will be posted on the City's website no later than March 31, 2026.

Please visit the City webpage to learn more about the dock program: <http://www.cityofmound.com>
(click on Dock Program button)

LOST LAKE SLIPS

The City of Mound has at least 10 slips located in the Harbor District at Lost Lake. They are located behind the Villas townhomes located near to Caribou Coffee on Shoreline Drive. These slips are not part of the Commons Dock program and are more expensive than the offerings from the Commons Dock program. The rental fee is \$2,500.00 for residents of Mound plus an additional returnable key deposit

The City fills these spaces based on license priorities listed in City Ordinance (Ch. 78:102(d)). If you are interested in renting a slip at the Villas of Lost Lake, you should complete the Lost Lake Slip application by the end of February in addition to this application. The City will hold the check and application as the priorities and slip spaces are being assigned. Please be aware that this by no means guarantees that any slips will be available after all other priorities are exhausted. You will be notified if your application is accepted by the City in early March.

PLEASE TURN OVER AND FULLY COMPLETE THE REVERSE SIDE

WATERCRAFT INFORMATION

You do not need a watercraft presently to apply for the wait list. If you do own a watercraft, please describe the watercraft you would be mooring at the dock/slip location should you be assigned such a location this year. Providing this information allows the City to assign open locations in the most efficient way available.

| Boat | DNR Registration Number | Make & Model | Length | Color |
|------|-------------------------------|--------------|--------|-------|
| 1 | | | | |
| 2 | | | | |

NOTE: When you have a dock/slip, you will need to furnish a copy of MN DNR Watercraft Registration which includes the boat owner/address, registration number, make, size and color of boat. The watercraft must be solely owned by the applicant, be in the applicant's name with their associated Mound address.

Dock vs. Multiple Slip Site: A **dock site** is a location where the license holder provides their own dock and manages the installation and removal. Boat lifts can be used if the area can accommodate winter storage. Non-abutter docks must have a watercraft moored at the dock by June 15th.

A **multiple slip site** is a complex owned and maintained, with installation and removal, by the City. Multiple slip license holders have to moor a boat in the slip by June 15th of each year and remove it on or before October 15th of each year. The multiple slips are installed by the Friday before Memorial Day each year, weather permitting. Multiple slip holders are required to give the City a copy of the boat owner's insurance policy each year and have a valid DNR Registration on file. Lifts are not allowed at multiple slip complexes due to issues with installation and removal and winter storage.

FEES

Internal Use Only

Wait List Processing Fee \$ 35.00 281-34745

Please make checks payable to the City of Mound
