

Docks & Commons

Dock locations, access points, slip-use areas and site restrictions are managed through the City of Mound's Docks & Commons Program. Dock locations within this map are shown as general site clusters.

LEGEND

Verify exact locations, availability, and restrictions with the City of Mound.

-  **Public Commons (Shoreline Access)**
Public access points and Commons areas.
-  **Licensed Dock Sites**
Authorized individual dock locations.
-  **Boat Slips or Shared Dock Areas**
Designated slip-use areas or shared docks.
-  **Canoe & Kayak Rack Locations**
Applicants may apply annually for a spot.

The Docks & Commons Program is a program that gives Mound Residents without direct lakeshore access the opportunity to keep a boat on Lake Minnetonka.

It's the largest municipally owned dock program in Minnesota, permitting 637 boats annually.
